Personal Information:**Family name:** shirvani**First name:** fariba**Date of Birth:** June, 8, 1974**City of Birth:** Tehran**Marital Status:** married**Children:** two children**Nationality:** Iranian**Title:** Doctor**Education:**

1983-90 **Medicine** Shaheed beheshti university of medical sciences and health services Tehran – Iran

1990-1993 **pediatrics** shaheed beheshti university of medical sciences and health services Tehran-Iran

1990-97 **master degree in medical education** Shaheed Beheshti University of medical sciences and health services Tehran-Iran

1998-2000 **fellow ship degree in pediatric infectious diseases** Tehran university of medical sciences and health services Tehran-Iran

Researches:

1990- 2002 **research supervision:** 10 general practitioner thesis and 4 pediatric residents graduated from Shaheed Beheshti university of medical sciences and health services

۱۹۹۷-۹۸ **accepted proposal and research completed:** estimation of iron status of tehran infants ۴- ۷ months and effect of iron supplementation on it , Ministry of research in Shaheed Beheshti University of medical sciences and health services

۱۹۹۴-۹۵ **accepted proposal and research completed:** a survey of frequency and causes of perinatal mortality in Tehran / Ministry of medical services and research affairs Tehran-Iran

۱۹۹۴-۹۵ **accepted proposal and research completed:** estimation of streptococcus group B in vaginal flora of Tehran mothers and its relation to colonization in their neonates / Ministry of medical services and research affairs Tehran-Iran

۱۹۹۷-۹۷ **accepted proposal and research completed:** a survey of effect of the ear mold on decreasing of ear injury in factory workers Ministry of medical services and research affairs Tehran-Iran

۲۰۰۵ – ۲۰۰۶ **accepted proposal and research is finished** evaluation of history of cardiovascular diseases in parents of children with Kawasaki disease . Center of infectious diseases control , mofid hospital , shaheed beheshti university of medical sciences and health affairs

۲۰۰۷- ۲۰۰۸ **accepted proposal and research is finished** Comparison of renal scars in ۱۰ days and five days of Pyelonephritis treated patients. Center of infectious diseases control , mofid hospital , shaheed beheshti university of medical sciences and health affairs

۲۰۰۹- ۲۰۱۰ **accepted proposal and research is finished** .prevalence of subclinical hepatitis in ۱- ۱۵ years old children in mofid children hospital. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs

۲۰۱۱- ۲۰۱۲ **accepted proposal and research is finished.** Frequency of microorganisms in febrile neutropenic children with malignancies in mofid children hospital. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs

۲۰۱۲- ۲۰۱۳ **accepted proposal and research is finished** Clinical and laboratory and radiologic investigation in children with influenza admitted in Mofid and Imam Hossein Hospital during ۲۰۰۹ pandemic. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs

۲۰۱۲-now **accepted proposal and research is implementing** investigation of Parvovirus infection in joint fluid and in serum in childrens with arthritis in Mofid

and Imam Hossein Hospitals. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs

۲۰۱۴-*now accepted proposal and research is implementing.* Investigation of peritoneal infection in children with peritoneal dialysis in Mofid Children Hospital ۱۳۹۴-۹۵ *Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs*

۲۰۱۷-*now accepted proposal and research is implementing.* Evaluation of the Parvovirus PCR in IUFD and premature and term neonates and serologic evaluation of their mothers in Imam Hossein hospital ۱۳۹۷-۹۸. *Imam hossein hospital. shaheed Beheshti University of medical sciences and health affairs*

۲۰۱۸ – *now accepted proposal and research is implementing* Investigation of enterococci colonization and their vancomycin resistance in admission and discharge in children admitted at Mofid Children Hospital PICU(۲۰۱۸) *Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs*

۲۰۱۸ – *now accepted proposal and research is implementing* Investigation of prevalence and resistance to antifungal drugs in candida derived from diaper rash from neonates with a history of one week antibiotic consumption admitted in Mofid and Imam Hossein Hospital. *Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs*

۲۰۱۸ – *now accepted proposal and research is implementing* Investigation of klebsiella oxytoca in the stool of healthy children in mofid and Imam Hossein Hospital *Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs*

۲۰۱۸ – *now accepted proposal and research is implementing* Study of colonization MRSA staphylococcus and Pseudomonas and acinetobacter and enterococcus under the nail of health care workers with artificial and long polished nail and short natural nails *Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs*

Training Courses:**۲۰۰۲ Two days Workshop on teaching methods in Medical Education**

(Jun) Educational Development Center (EDC), SARY University of Medical Sciences & Health Services at north of Iran *as lecturer* Sary-Mazandaran

۲۰۰۲ Participation in workshops on lesson plan and effective teaching in higher education and research supervision and powerpoint instruction and small group teaching and lecturing
Educational Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services *as lecturer* Tehran-Iran

۲۰۰۰-۲۰۰۲ Attending on Workshops on Student Assessment and investigation of outbreaks of food borne illness and lesson plan and evidence based medicine and article writing and clinical setting and effective teaching in higher education and using internet and searching articles.
Educational Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services Tehran-Iran

۱۴th March to ۱۴th April ۲۰۱۰. **1 month course on different aspect in diagnosis and treatment of tuberculosis in children.** National Institute for Research in Tuberculosis No. ۱, Mayor Sathyamoorthy Road, Chetpet, Chennai – ۶۰۰ ۰۳۱. India.

۱۹th Feb ۲۰۱۷ to ۲۰th Apr ۲۰۱۷. **Two months course in PICU Mofid Children Hospital.** Director: Dr Sara Salarian. Shaheed Beheshti University of Medical Sciences and Health Services. Shaiati St. Seid Khandan Sq. Post Code ۱۰۴۶۸-۱۰۰۱۴

Personal Skills:**Language:**

- Persian (Native)
- English (Speak, Read and Write)

Computer:

- Familiar with Win ۷, Word ۲۰۱۳, Excel ۲۰۱۳, Powerpoint ۲۰۱۳, SPSS ۱۶.

Research:

- Ability of searching articles, sampling, writing proposals and papers and some experiences in analyzing data.

Professional Experiences:

۱۹۹۴ till now **A member of pediatric faculty of Shaheed Beheshti university of medical sciences and health services (present)** at Imam Hosein Hospital (assistant professor in pediatrics) Tehran-Iran

۲۰۰۲ **A Member of reform committee,** (EDC) educational development center of shaheed beheshti university of medical sciences and health services (present)

Tehran-Iran

۱۹۹۸-۲۰۰۰ *A member of teacher training center (EDC) educational development center of shaheed beheshti university of medical sciences and health services* Tehran-Iran

۲۰۰۲ till now *Responsible of education in pediatric ward (IMAM HOSSEIN HOSPITAL) shaheed beheshti university of medical sciences and health services* TEHRAN- IRAN
