

CURRICULUM VITAE
Naeeme Taslimi Taleghani, MD

Assistant Professor of Neonatology

Date of last revision: October 20 ,2019

Address: Shahid Beheshti University of Medical Sciences, Tehran, Iran

Tel: +98-912-6856918

Email:

naeemetaslimi@yahoo.com

naeemetaslimi@sbmu.ac.ir

naeemetaslimi@Gmail.com

Personal Information:

Family name: Taslimi Taleghani

First name: Naeeme

Date of Birth: March, 21, 1982

City of Birth: Tehran

Marital Status: married

Nationality: Iranian

Title: Doctor

Education:

2001january-2008 september : General Medicine, Iran University of Medical Sciences

2008 september-2011 september:Specialty, Shahid Beheshti University of Medical Sciences

2012september-2014september:Fellowship:Shahid Beheshti University of Medical Sciences

Researches:

2009-2010 *accepted proposal and research is finished* : prevalence of subclinical hepatitis in 1-15 years old children in mofid children hospital. Pediatric Infectious diseases research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.

2012-2014 *accepted proposal and research is finished* : Assess the outcomes of VLBW neonate with RDS , treated with different respiratory support strategies at Mahdie NICU hospital . Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.

2012-2014 *accepted proposal and research is finished* :N.CPAP versus N.IMV in initial respiratory support of VLBW neonates with RDS. Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.

2015- now *accepted proposal and research is implementing*: Assess the effect of Creon on improvement of VLBW feeding tolerance.Clinical Research Development Unit,Imam Hossein Hospital , shaheed Beheshti University of medical sciences and health affairs.

2015-- now *accepted proposal and research is implementing*:2 years follow up in NICU graduates of Mahdie Hospital. Neonatal health research center, mofid hospital, shaheed Beheshti University of medical sciences and health affairs.

2017- now *accepted proposal and research is implementing* :Assessment of CBC indexes and coagulopathy in term and preterm neonates born to mothers with preeclampsia in Imam-Hossein Hospital since 2014 to 2017.

2018- now accepted proposal and research is implementing: Comparison of paracetamol and ibuprofen effect on hyperbilirubinemia in PDA preterm neonates in Mahdiah Hospital , shaheed Beheshti University of medical sciences and health affairs.

Training Courses:

2018(Tuesday 04 December)**Author Workshop - Introduction to Scholarly Publishing** at Shahid Beheshti University of Medical Sciences,Presented by Ozge Serdemir, Customer Consultant,Tehran-Iran

2018(may, 15)**Introduction to Scientometric Indicators**, central Library,, Shaheed Beheshti University of Medical Sciences & Health Services,Mofid hospital,tehran,Iran

2018(September ,20)dr kabiri, Introduction to Scientometric Indicators

2018(November 21) Workshop on **Key Feature Problem , Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.**

2017(Janouvery,11),**Workshop on Multiple Choice Question** , Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2017(February, 6) Workshop on **communication skill**, Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran

2016(December ,27) ,Workshop on **Evidence Based Medicine** , Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016(September,26),**Workshop on communication skill**, Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016(may ,31) 2017,Workshop on **Preceptor ship** , Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2016 (MAay 8), Workshop on **Evidenced based medicine(empowerment of teachers)** , Educational Development Office (EDO), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran

2016 (August,29), **Professional Knowledge Network**, research development center, Shaheed Beheshti University of Medical Sciences & Health Services ,Tehran-Iran .

2016(March,8),**Workshop for Blood and blood component handling and hem vigilance system for physicians**,Iranian Blood Transfusion Organization, Tehran-Iran.

2016(January, 5), **Workshop on refreshing lecturing(empowerment of teachers)** , Educational Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2015 (February ,15), **Workshop on Introduction to PLAGIARISM**,research development center, Shaheed Beheshti University of Medical Sciences & Health Services ,Tehran-Iran .

2009(May, 12), **Workshop on breast feeding**, mofid children hospital, Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

2008(October ,18), **Workshop on neonatal CPR,Clinical skill center of medical college**, Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

Personal Skills:

Language:

Persian (Native)

English (Speak, Read and Write)

Computer:

Familiar with Win 7, Word 2013, Excel 2013,Powerpoint 2013, SPSS 16.

Research:

Ability of searching articles, sampling, writing proposals and papers and some experiences in analyzing data.

Professional Experiences:

2014 till now-A member of pediatric faculty of Shaheed Beheshti university of medical sciences and health services (present) at Imam Hosein Hospital &Mahdie hospital (assistant professorof neonatology) , Tehran-Iran.

2014 till now-Review of Pajuhan System, research development center, Shaheed Beheshti University of Medical Sciences & Health Services ,Tehran-Iran .

2015 till now-Associate Editor of Archives of Pediatric Infectious Diseases,Pediatic Infections Research Centre. Shaheed Beheshti University of Medical sciences and health Affairs.

2015 till now- Responsible of haemovigilance committee in the perinatal & child issues, Mahdie hospital, Pediatric Infections Research Centre. Shaheed Beheshti University of Medical sciences and health Affairs.

2016 till now- Responsible of medical student 's education in pediatric ward as Perceptor (IMAM HOSSEIN HOSPITAL) shaheed beheshti university of medical sciences and health Services ,Tehran-Iran

2016 till now- A member of Evidence Base Medicine group, Educational Development Center (EDC), Shaheed Beheshti University of Medical Sciences & Health Services , Tehran-Iran.

Academic success:

-Top rank degree among medical science graduates of the Iran University of Medical Science, straight entry to undergraduate specialties, 1387(2008)

-Third rank degree in Pediatrics Board Exam in country, 1390 (September, 2011)

-Second rank degree in Entrance Exam of neonatology and perinatology sub-specialty, 1390 (February, 2012)

- Second rank degree in Neonatology & perinatology Board Exam in country 1393 (September, 2014)

Educational activity:

1-Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(NRP) workshop, Taleghani Hospital, Shahid Beheshti University of medical science (SBMU), September 12-13, 2015.

2- Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(NRP) workshop , Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), September 27-28, 2015.

3- Naeeme Taslimi TaleghaniMD , **Care of** Healthy neonates in hospital workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), November 10, 2015

4-Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(NRP) workshop, Taleghani Hospital, Shahid Beheshti University of medical science (SBMU), December 19, 2015

5-Naeeme Taslimi TaleghaniMD ,special care of newborn in NICU workshop , Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), February 21-22, 2016.

6- Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(NRP) workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), August 14-15 , 2016

7-Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(NRP) workshop, Mahdie Hospital, Shahid Beheshti University of medical science (SBMU), October 2, 2016

8-Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(new NRP) workshop,Imam Hossein Hospital, Shahid Beheshti University of medical science (SBMU), October 6, 2016

9- Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(new NRP) workshop,Imam Hossein Hospital, Shahid Beheshti University of medical science (SBMU), November 2, 2017

10- Naeeme Taslimi TaleghaniMD ,Neonatal Resuscitation Program(new NRP) workshop, school of medicin , Shahid Beheshti University of medical science (SBMU), November 2, 2017
